

Parchment Community Library Membership Policy

1. General policy:

- Membership cards are in effect for a period of one year unless the member moves out of the library district.
- Anyone who is 18 or older may obtain a card without the signature of a parent or guardian by presenting a driver's license or state identification card.
- Borrowing privileges are withheld if New Books, Interlibrary Loan items, or DVDs are 1 week overdue or if all other items are 4 weeks overdue
- To renew membership, patron must show photo identification with current address.
- Anyone under 18 must have membership applications approved by a parent or guardian. Applications do not leave the library and must be completed at the library. The parent or guardian must present proof of eligibility. If the parent or guardian has a library card, that account must be in good standing before the child's card may be issued.
- Juvenile limited card: A juvenile 10 to 17 years of age may obtain a special limited library card without a parental signature and/or without a parental card in good standing. This card may be used to borrow a maximum of 2 books at any one time.

2. Eligibility:

- **Parchment Library District:** All residents of the Parchment Library District (whose boundaries are the same as the Parchment School District) are eligible for membership cards without charge. Identification is required. (See below)
- **Property owners:** Persons owning property or a business in the library district are eligible for membership cards without charge. Proof of ownership (property tax receipts) as well as identification is required.
- **Non-Resident Teachers:** Non-resident teachers employed by the Parchment School District may request a special PCL Teacher's Card which is good for the current school year. Applications will be validated by the teacher's current PSD email address.
- **Non-Resident Students:** Non-resident students who are enrolled in the Parchment School District may request a special PCL Student Card which is good for the current school year. Applications will be validated by the student's current PSD email address.

Parchment Community Library Membership Policy

- **Reciprocal library patrons:** Residents of the Kalamazoo, Otsego, Plainwell, and Portage library districts are eligible for a reciprocal borrowing card upon presentation of a valid library card and identification.
 - **MiLibrary patrons:** Non-residents from libraries who participate in the MiLibrary card system (<http://milibrarycard.org>) and who present a valid card from their home library may apply for a reciprocal Parchment Community Library card. In addition to the home library card, applicants must present a Michigan driver license or a State identification card.
 - **Non-Resident Seniors:** Non-residents aged 65 years or older are eligible for a free card. Identification is required.
 - **Non-residents:** Non-residents may purchase cards on an annual basis, with the same privileges as a resident card. The annual fee purchases a card for each member of the household. Each card will expire one year from the date of payment, and may be renewed at any time after the expiration date upon payment of another annual fee. Fees charged to non-resident members will be set by the library's Board of Trustees subject to annual review. The annual fee is determined by calculating the average annual amount a household within the library district pays in property taxes to support the library. The current annual non-resident fee is: \$95.00. (This fee is set at the September board meeting each year.)
- 3. Identification:** Photo identification showing current address must be presented for those 18 and over. A driver's license, Michigan ID, or Kalamazoo County identification card, or other photo ID (such as a passport) is preferred. If the photo id does not show the patron's current address, official mail (such as a bill) is acceptable, but personal correspondence is not. Property tax receipts are required to confirm a non-resident owns property within the district.
- 4. Replacement cards:** There is no charge for replacement cards.
